3/1/2024

Dear Parents and Staff,

I want to inform you of an upcoming road closure on Poplar Springs Road (just to the West of Ace Hardware) due to a stormwater project aimed at addressing the issues of flash flooding in the area. You will begin to see road closures and detour signs soon.

The construction project is scheduled to commence on March 15th (in-service day) and continue through the end of the school year. While we understand that this will cause some inconvenience, CCPS has been working with the Catoosa County DOT and the Catoosa County Sheriff's Office to minimize disruption to our school community.

To assist you with navigating this change, please see the attached map outlining the new traffic patterns for Ringgold Primary School and Ringgold Elementary School. Please note that the red lines on the map indicate the route for Ringgold Elementary School, while the blue lines indicate the route for Ringgold Primary School.

Ringgold Elementary School should use the Poplar Springs entrance and turn right onto the school campus. After dropping off or picking up your child, please exit back onto Poplar Springs Road and turn left.

Ringgold Primary School should use the South entrance to the campus by turning on Holcomb Road and then turning onto Evitt Lane. After dropping off or picking up your child, please exit back onto Evitt Lane. If you have more than one child, follow the exit route from your last location.

Even though there will be road closures and additional congestion, please maintain your normal flow in and around the schools. The Sheriff's office will be present from 7 AM-8 AM and 2 PM-3 PM to assist with traffic congestion. We anticipate that the main effect on bus routes will be delays. However, please know that our transportation team is diligently working to mitigate any disruptions due to the road closure. Should you have any questions regarding school drop-off or pickup lines, please do not hesitate to reach out to your child's school.

Sincerely,

Charles Nix
